The image displays a logo in a vibrant blue color. At the top, there are two large, stylized characters: a 'J' on the left and an 'i' on the right. The 'J' is formed by a semi-circle on the left and a vertical line on the right. The 'i' is formed by a semi-circle on the right and a vertical line on the left. Below these characters, the word 'juni' is written in a lowercase, cursive script font. The 'j' in 'juni' has a circular top and a tail that curves to the left. The 'u' and 'n' are thick and rounded, while the 'i' has a distinct dot above it.
